

Continuous Operation Motor with Thermal Protection

Control System - Auto Start/Stop, Auto Reverse when Paper Jam, Bin Full Sensor, Overload Sensor

Robust Construction with Replaceable Cutting Blades

German Technology Gear System

Waste Level Display through Bin Window

Attached Casters for easy maneuverability

## HC2002D

Shred capacity	20-22 sheets (A4, 70grams)
Shred size	4 x 44mm (cross-cut)
Security level	3
Insertion width	220mm (A4)
Bin capacity	32 liters
CD / Credit Card Shredding	1 piece
Motor	300W at max.
Power Supply	230V/50Hz
Auto reverse when paper jam	Yes
Auto Start / Stop	Yes
Thermal / Overload Protection	Yes
Bin Full with Beeper Signal	Yes
Dimensions	418(w) x 310 (D) x 630 (H) mm
Weight	15.3kg
