

HSM SECURIO C16

HSM SECURIO C16

Entry level personal / home office model designed for 1 to 3 users, also shreds credit cards / store cards (see below for details). Automatic start / stop and auto-reverse in the event of a paper jam. Reverse button with multifunction (pressing reverse again continues the process). Folding safety element with contact protection (the device stops when pressure is applied to the element). Level indicator through inspection window. Handle recess on the top makes it easier to lift the upper part of the machine to empty the waste container plus automatic stop when the shredded material is removed. Quiet operating sound and zero power consumption in stand-by mode ZES (Zero Energy Stand-by). Made in Germany.
