D250

Door Access & Time Attendance System

| Usb | Excel | Fingerprint | Card | Password |

2 YEAR LIMITED WARRANTY

A card ID, fingerprint, password, or a combination of all three are supported by the access control and time attendance system D250. For those who want the conventional punch card system with a modern twist, the D250 makes an in-out door access system that is complete and reasonably priced.

Small yet Packed with Power
A remarkable 3,000 users and 230,000 transaction logs can be stored in the D250.

Secure and Flexible Verification
D250 provides you with a number of verification methods, including a fingerprint, password, card, or combination of options.

Easy Data Management
All you need is a USB flash disk to transfer transaction logs to your computer. It is that easy!

Speedy Recognition
New Backlight technology scanner auto turn off sensor light when not in use. Long lasting scanner life span.

Ultra Smooth Touchpad
Backlight touchpad easy to see even in low light place.

Excel Report
User friendly In Out Report with LATE and early out highlighted.
